**PETITION UNDER 37 C.F.R. §1.47(a) AND RESPONSE TO "NOTICE OF
MISSING PARTS OF APPLICATION FILING DATE GRANTED"**

Hon. Assistant Commissioner
of Patents and Trademarks
Washington, D.C. 20231

Sir:

In response to the "NOTICE OF MISSING PARTS OF APPLICATION FILING
DATE GRANTED" mailed on February 9, 2000 by the Customer Service Center - Initial
Patent Examination Division, Stone et al. submit the following petition under the
provisions of 37 C.F.R. § 1.47(a).

In an attempt to have Mr. Louis A. Mamakos execute the Declaration, the
undersigned had an assistant, Ms. Trafton, email co-inventor Mr. Mamakos to get the

12/21/2000 LGIBBS 00000005 132491 09469506

01 FC:122 130.00 CH

necessary information. Mr. Mamakos emailed his contact information to Ms. Trafton. See ATTACHMENT A, Mamakos Email to Trafton, February 14, 2000.

The undersigned then requested Mr. Mamakos to execute the Declaration to the subject '506 patent application naming Mr. Mamakos as a co-inventor together with Mr. Michael D. O'Dell. See ATTACHMENT B, Roberts Letter to Mamakos, February 14, 2000.

The undersigned then personally met with and spoke to Mr. Mamakos on March 9, 2000. At that meeting, the undersigned received positive notification that Mr. Mamakos was in receipt of the Declaration/Power of Attorney and Assignment, and had reviewed the finalized patent application approved by the inventors and filed December 22, 1999. However, Mr. Mamakos unequivocally stated that he refuses to sign the Declaration attached to the application tendered to him by the undersigned. Furthermore, to date the undersigned received no evidence that Mr. Mamakos will be executing the Declaration.

By the above communication exchanges, and based upon information and belief, the undersigned has first-hand knowledge that Mr. Mamakos has received a copy of the application and Declaration, yet has repeatedly failed to cooperate as promised in executing the above Declaration.

The Declaration is acceptable under the provisions of 37 C.F.R. § 1.63, subject only to Mr. Mamakos's execution of this document. It specifically states that Mr.

Mamakos, together with Mr. Michael D. O'Dell, are the joint applicants (or co-inventors) of the subject invention of the '506 patent application.

Based upon information and belief, the above information reflects the undersigned's information and knowledge as to the last known address, residence, and the citizenship of Louis A. Mamakos. See ATTACHMENT A, Mamakos Email to Trafton, January 4, 2000 referenced above.

A petition fee of \$130.00 (or surcharge of \$130.00) is authorized by this paper to be charged to Deposit Account 13-2491.

In view of the fact that joint applicant and co-inventor Mamakos has a copy of the application and Declaration and has clearly failed to sign the Declaration, that the Declaration is an acceptable Declaration under 37 C.F.R. §1.63, that the appropriate petition fee accompanies this Petition, and that Mr. Mamakos's last known address has been provided, the granting of this Petition is respectfully requested.

Respectfully submitted,

MCI WorldCom
